

The world's leading certification program on women's danger awareness and self-defense.

## Host your own Women's Self-Defense Class and earn Cash

This course will empower you,  
your family and friends. And It can be FREE for you  
PLUS you can earn money for being the host.

All you need to do is form a group of 6 or more women  
(age 14 and above) and call us to set up the date and time.

It's that simple !!

A Certified Black Belt Instructor will come to your location or you can come to one of our Martial Arts Centers for this 1 day comprehensive course. We will teach your group the best techniques in women's Self-defense. These practical techniques are easy to learn and require little practice to become effective. Regardless of your size or strength, you can effectively incapacitate the attacker and escape their grasp within seconds ! You will Also learn the tactics predators use to lure their victims so you won't fall for their tricks and become a statistic. Learn how to recognize and avoid dangerous situation before the predators can attack.
